

# MOTIVATION

## OVERVIEW

## OBJECTIVES

Inspire employees to perform at their best.

An employee may have all the knowledge, skill, expertise, and experience that they need to do their job, but if they aren't motivated, they probably won't perform as well as they could and are unlikely to fulfil their potential.

This short e-learning course explores some of the thinking around what motivates employees and looks at how to create the right conditions to ensure they enjoy their jobs and do them well.

- Explain motivation, what motivates people and how motivation and engagement go hand-in-hand
- Explore different extrinsic and intrinsic motivators and the effects they have on performance
- Apply specific techniques to help motivate others
- Identify when your team is motivated...or not...and what to do about it

### DURATION

30 minutes. Including interactions and assessment.

### AUDIENCE

This online learning course is suitable for leaders of teams.

### CERTIFICATION

Upon completion of the course the learner will receive a CPD certificate.
