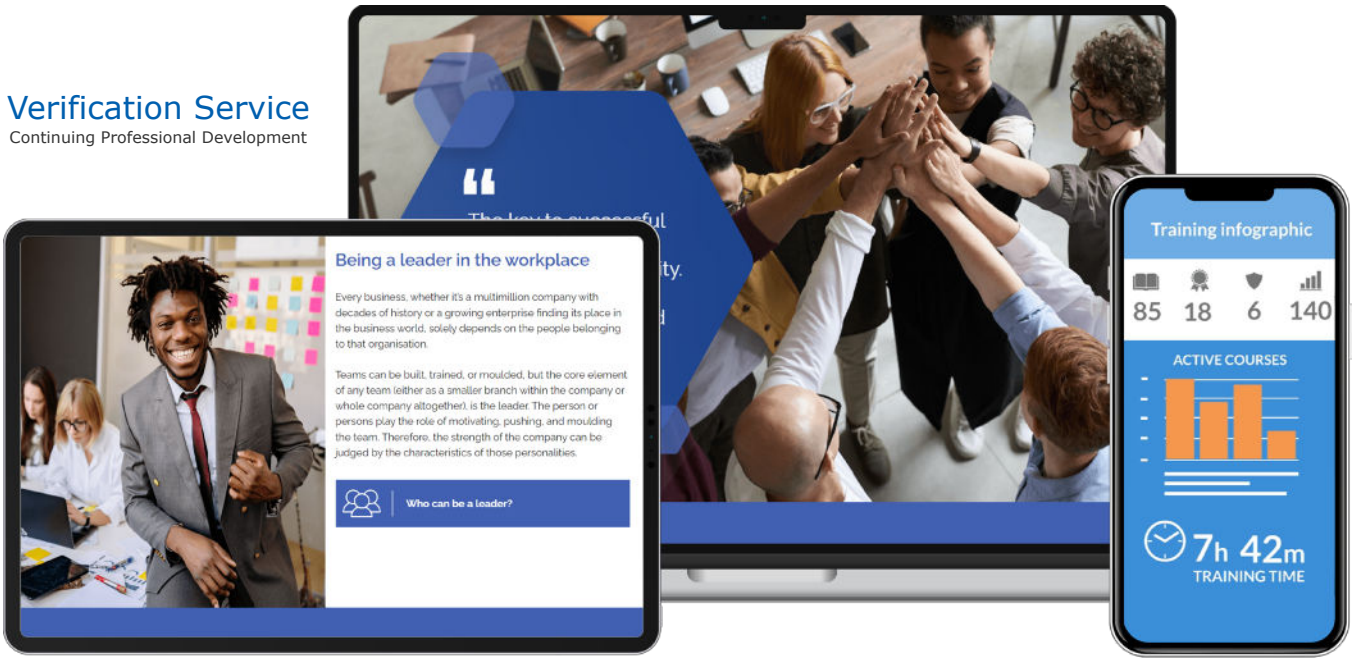
LEADERSHIP

CPD Verification Service
Continuing Professional Development



OVERVIEW

Leadership is not just a position or a title; it's a skill, an art, and a mindset. Whether you are an aspiring manager, a seasoned executive, or someone looking to lead in any aspect of life, this comprehensive course is designed to equip learners with the knowledge, strategies, and tools to become exceptional leaders.

This e-learning course has been crafted to guide learners through the fundamental principles of leadership, with practical hints and tips for developing these skills and applying them to a workplace setting.

OBJECTIVES

- Explain what it means to be a leader and how it is defined
- Describe the differences between a leader and a boss and the styles a leader can adopt
- Implement the core skills of leadership
- Be a better leader for your team
- Apply effective leadership techniques, through theory and practical tasks

DURATION
25 minutes including interactions and assessment.

AUDIENCE
This online learning course applies to either current leaders, or those that aspire to this position.

CERTIFICATION
Upon completion of the course the learner will receive a CPD certificate.
