

TEAM MANAGEMENT

OVERVIEW

OBJECTIVES

Whether you are a seasoned leader seeking to enhance your management skills or an aspiring manager looking to develop a strong foundation, this online learning course is designed to equip you with the essential knowledge and strategies to excel in leading and guiding teams to success.

This e-learning course will help learners master core management skills, providing the foundation to build teams that not only deliver outstanding results but also thrive in a supportive and engaging environment.

- Identify the key principles of effective team management
- Apply techniques to recognise and handle diverse personality types within a team
- Assess and apply appropriate management styles to various team scenarios
- Improve key aspects of team management (assigning responsibilities, performance evaluation etc.)

DURATION

50 minutes. Including interactions and assessment.

AUDIENCE

This online learning course applies to anyone that is either in a leadership role currently or has an aim to embark on this journey.

CERTIFICATION

Upon completion of the course the learner will receive a CPD certificate.
